General Comments:	Carson did an excellent job during her practicum placement in my kindergarten classroom. She was very willing to go above and beyond her required expectations and taught many extra lessons throughout her placement. Carson was always friendly with the kindergarten students and worked with them in whole and small groups to meet the needs of all students. Carson was able to adjust games/lessons on her own so that all students were challenged at their level throughout instruction time. Carson will make a great student-teacher/classroom teacher in any kindergarten classroom :)
